Greetings,

July 2017

Usually when we have a three-week school break, we have a little bit of breathing room to get extra things done around the farm. But that didn't happen this month, but it was amazing. On the first day of school break, the entire staff was in attendance for first aid and fire extinguisher training. Our volunteers from Son Safaris' were here finishing up the bunk bed project and building fly screens for almost every window on the property (what a blessing). Now the homes can leave their windows open on those warm nights and not worry about mosquitos. We also had a family arrive whose son was working on his eagle scout project. He had collected a very large amount of medical supplies and gave a soccer ball to every child.

Mandela's birthday is on the 18<sup>th</sup> of July and most of the country does volunteer work that day. This was the biggest crowd ever at The Fold. There were so many, we couldn't count them all. But we think there was at least 30 police officers from at least 4 or 5 different police stations. They brought paint with them and painted the entire outside of our building. We had a huge cake when they were done. They did a great job. That same day, we also had a few ladies bring food donations for the children, as well as two sets of new visitors. We were exhausted by the end of the day, but what a great day it was.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021  
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

The children are back from a 3-week school break. They came back on a Friday and on Saturday were all on the bus going out for a weekend campout with FASA (Fellowship Alliance of Southern Africa), the same group they spent Easter weekend with. As usual, they all had a great time. Then Monday the second half of our school year began. Unfortunately, we started the new term with two fewer children. This sometimes

happens, and they will be sorely missed. But the need is so great, it didn't take long to fill the empty beds.
