Greetings,

December 2017

Our children were invited to sing a few songs for 'carols by candle light' at the local mall. They had fun and did a great job. We had our end of school year prize giving and preschool graduation ceremony. Our teacher Rosinah did an awesome job setting the whole thing up, and getting the kids to practice every afternoon. Rosinah even called all of the parents/family members and quite a few of them showed up. It was an amazing performance. Unfortunately due to bad weather, our end of year school party at a local park with a swimming pool had to be canceled. But we've promised to take them there just before school starts in January instead. We did manage to have a bit of a party with a cookout at the farm instead. The children, especially the youngest ones were over the moon with their presents. All of the children went back to their relatives on 8 December and it's been very quiet since then. They all return on 12 January.

So now it's time to try and get all the work done for next year. Our fourth house is almost ready to move the children in. We're still working on finishing those last two apartments, which will be occupied this coming year. Plus we have to finish a wall in the school, splitting two of the classrooms. And of course, there is the never-ending list of repairs and maintenance. All you handy men and women out there, we could use your help, for a week or a year. Every job done helps so much.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

As year-end approaches, please keep us in mind for any additional tax deductions you're needing. Donations sent to the address at the bottom of the page are tax deductible if postmarked by Dec. 31st. Also, if you're not already supporting us financially, could you consider supporting this ministry with a monthly donation of any amount? No amount is too small. \$1 will buy a loaf of bread. 2018 is going to be an incredible year of growth for us. We're adding another household of children and expanding our school. Please help us if you can.

Prayer requests: Micky's cancer treatment. More funding for The Fold. Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. Long term funding for our school. Safety for all our children while they're away from The Fold.

Praises: Prayers from all over the world for Micky and Paul. Cancer caught early, treatment started, second chemo done and 4 more to go. Micky doesn't have to have radiation treatment. Parties for the children. Amazing donations and volunteers throughout this 2017.

God bless,
Paul and Micky Prince
