prince@princeministry.org

Greetings,

November 2017

What a great month for the children with multiple Christmas parties, including one with a large group of motorcycles and beauty pageant winners. Many others brought gifts and there was even an outing at an outdoor park with multiple trampolines. They've been seriously spoiled and we still have two weeks of multiple fun items before the children leave at the end of the school year. The children will even be taking Christmas containers full of food items to take home that were donated to them.

Our friend Fledge who usually comes in June/July also brought a group this month. It was awesome. There was a worm farm expert who helped us start a worm farm. Our garden will eventually look like the garden of Eden after those worms get busy making compost. There was also an artist in the group who did beautiful artwork in the new children's house. Then there were a group who were good at handyman stuff. They put together the 3 bunkbeds for the new house and worked on the plumbing. Within the group there were two birthdays while they were here; one being for our youngest visitor ever who celebrated her first birthday with us.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021  
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

We had a local church bring a large group of people who spent the day clearing bush for us. This was very important. We had piles of dead wood covered by old dry grass that was a safety hazard to our animals.

On a bad note, our water pump died. It's 80 meters down inside our borehole/well. That was quite a production to get it out and the new one back in the hole. All the children helped. A local business provided us a new pump at cost. What a blessing. We were only two days without access to water.

This was one of those months when there were just too many events going on to mention in our newsletters, and lots more pictures than we can put here. If you're on Facebook, we have a page: Thefold SA. Friend us and see all the extra events and pictures posted there. If you also want to see personal stuff of Paul and Micky, friend us on: Micky Prince.

We've had requests for letters of Recognition of a Donation made in someone's name for the Holidays. If you would like to make a donation in the name of someone else, please forward the Name and address for that person or family to our Forwarding agent with your check. She will then get a Christmas card/letter in the mail to let them know you made a donation in their name. The amount can be included or not, just state that in the request. All costs associated with this service are being donated, so there is no cost to Prince Ministry. Send Requests and Checks to: 200 Solley Dr., Winchester, MO 63021

On a personal note, Micky's visit to the oncologist resulted in a biopsy of the thyroid, but all was benign. Since her cancer falls in a grey area (very small amount of aggressive cancer), it will be treated aggressively. Chemo, then radiation and then pills to suppress female hormones for 5 years. All of your prayers have really meant a lot to us.

As year-end approaches, please keep us in mind for any additional tax deductions you're needing. Donations sent to the address at the bottom of the page are tax deductible.

Prayer requests: Micky's cancer treatment. More funding for The Fold. Teyani's eye lesion. Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. Long term funding for our school.

Praises: Prayers from all over the world for Micky and Paul. Cancer caught early, treatment started. Parties for the children. Amazing donations and volunteers throughout this year.

God bless,  
Paul and Micky Prince
