Greetings,

May 2017

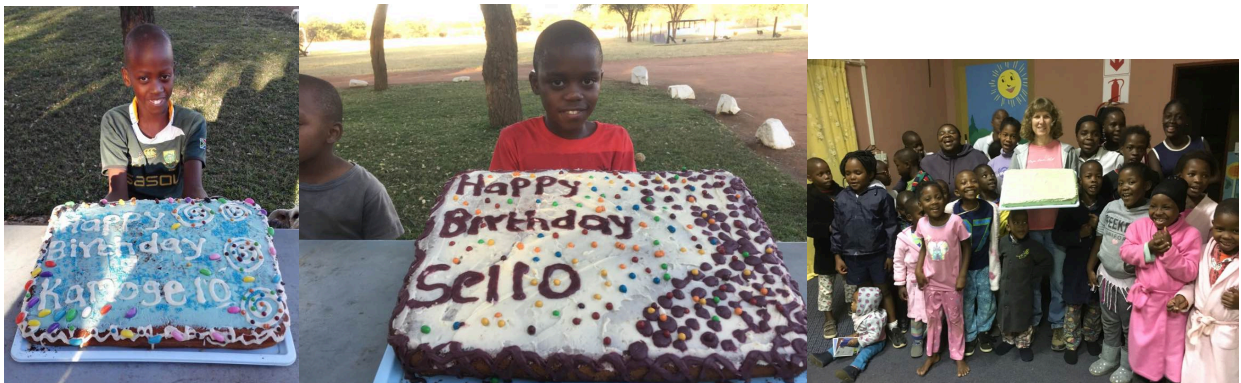

I'm not real sure where this month went. We stay so busy, the time just flashes by. Micky's sister returned to the US leaving a legacy of the computer lab behind and a whole lot of children who miss her. She's hoping to come again in two years.

Last month we received a donation from a friend in England and this month the Gloucester rugby team passed the bucket for The Fold at the end of one of their games. With the addition of some other extra funds donated, we've received almost \$5,000 from the UK. This is so amazing and covers a huge portion of our current shortage.

Looking forwards to lots of project work next month with the arrival of many volunteers from the US. Our friend Fledge brings teams over for two weeks at a time to help a variety of charities and conservation groups. This year he has 3 teams back to back and each team will spend approximately 4 days of their time helping The Fold with various projects. The main project will be building bunk beds for us.

Micky will be having a hysterectomy on 15 June at 8:30am South Africa time. It's not cancer, but it could turn into cancer. Please keep her in your prayers. It will be 6 weeks of recovery time.

Birthday's Kamo (13), Sello (11) and Micky.

Our fund raising trip the end of this year is going to be amazing. So many people are pitching in with all sorts of ideas and projects. As we get closer to departure time, we will let everyone know the dates of all the fund raisers. It's going to be exciting, trivia night, auctions, raffles and even hay rides.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

Still no word on Micky's visa, but the lawyer is sending us weekly updates on the progress. But if she doesn't have the visa by the time they leave for their fund raising trip in October, she will be banned again for 5 years and it will need to be fixed again.

Prayer requests: More funding for The Fold. Teyani's eye lesion. Short and long term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. Long term funding for our school. Micky's visa. Good progress on the apartments. Our fundraising trip later this year. Micky's operation on 15 June.

Praises: Donation from the UK for The Fold. Fledge's team and the work they will do. Lots of fundraising all ready set up during our trip home.

God bless,
Paul and Micky Prince
